

## BORSHOFF WAYFINDING

# HOW TO GET FROM POINT A TO POINT B

### WHERE TO PARK

Parking is free for Borshoff guests for up to two hours in the Needler’s parking lot. For long-term parking, please provide your car’s make, model, color and license plate to your Borshoff host, who will make arrangements with the parking lot management. You may also find metered spots all around our building. All meters accept plastic, or you can download the **Parkmobile** app to manage your payment remotely.

### WHERE TO “B”

To enter the building from the Needler’s lot, walk through the courtyard area to Alabama, and take a right. Our door is directly under the tower at 333. Take the elevator to the third floor, and take a left. When you arrive, push the call button, and someone will greet you! If you run into any issues, just give us a call.
